

Financial Aid and Payment Information

To all St. Joseph families,

St. Joseph School understands that some families still need some assistance for tuition. Please review the following before requesting financial aid.

FACTS Payment Plan: FACTS is a third-party tuition management company, which manages our school's payment plan. All families who are currently on FACTS through St. Joseph School & SJM Prep do not have to reapply. If anyone wants to make changes to their account, please contact the school for all FACTS information. New families who do not pay in full please register online at <http://online.factsmgt.com/>. Your monthly payment will be the total tuition owed divided by 11 months.

FINANCIAL AID through the Parish: Families requesting financial assistance must also make this request through FACTS. Please go online to <https://www.factstuitionaid.com/> to fill out a request form. FACTS will require a copy of your W2's and charges \$45 for this service. In addition, any family receiving financial aid in any form must fill out a free and reduced lunch application. This form will be available in early June. The reason for this request is the number of students who receive free or reduced lunches increases our federal funding for tutoring programs.

NORTHWEST OHIO SCHOLARSHIP FUND (NOSF): This is an independent scholarship opportunity administered through the Diocese of Toledo. Applications can be found on the website at <http://www.nosf.org/>. The application deadline is April 27th 2018. Applicants must meet financial requirements and be drawn through a lottery to be awarded. Please call with school office at 419/893-3304 with any questions you may have.
